

Choose coverage with confidence.

Use your actual plans and written quotes. This worksheet helps compare photography coverage and optional costs without relying on a generic market average.

WEDDINGS BY MOE: CURRENT COVERAGE

Package	Coverage	Price
The Elopement	2 hours	\$2,649
The Intimate	4 hours	\$3,349
The Full Day	8 hours	\$4,249
Rehearsal dinner add-on	2 hours	\$500

The rehearsal dinner is an add-on to wedding coverage, not a standalone wedding package. Full Day includes an engagement session; confirm its details in your quote. Prices reflect the published offer on September 15, 2026.

YOUR PHOTOGRAPHY BUDGET

Chosen package / coverage hours / quoted price

Optional items you actually want, with quoted prices

Travel, permits, overtime or other agreed fees

Total photography budget (add the quoted items above)

Avoid counting an included engagement session or product again as an add-on. City ceremony fees, outfits and your celebration meal belong in your wider wedding budget. Totals are entered manually.

Compare the details, not just totals.

Fill in two written photography quotes. A blank means you still need an answer; it does not mean the item is included or free.
